Patriot Challenge for the Dayton Area Fisher Houses

What is a Fisher House?

Fisher Houses are compassionate care homes supporting the wounded, injured and ill military men and women, veterans and their families. There are two Fisher Houses on Wright-Patterson AFB plus another under construction at the Dayton Veterans Affairs Medical Center.

What is the Patriot Challenge?

This particular Patriot Challenge is designated for those who would like to raise funds and awareness for the Dayton Area Fisher Houses while participating in the 2018 Air Force Marathon races. This fundraising campaign is designed to make your fundraising experience easy, fun, and meaningful. Just sign up for any 2018 Air Force Marathon race distance on the race website (<http://www.usafmarathon.com>) - then register for this Patriot Challenge at http://fhf.convio.net/site/TR?fr_id=1580&pg=entry.

How do I raise funds?

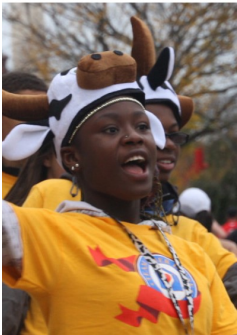

As soon as you hit "submit" on the registration form, a customizable Patriot Challenge donation page is created just for you! It's pre-populated with a Fisher House family story, video, and photos - all you have to do is make it your own with some additional text. Your Patriot Challenge Participant Center has EVERYTHING you need to make your fundraising efforts for Fisher House successful - tips, tools, best practices, etc.

Can I form a fundraising team?

Absolutely! Invite your friends, family, neighbors, and co-worker to make it a community affair! What better way to show your support of America's service members, veterans, and their families than to take action together?

So wait, that's it?

Not quite! We'd love for you to share your pre-, during, and post-event photos with us on social media - Twitter, Facebook, or Instagram, using the hashtag #PatriotChallenge. And you definitely won't be alone in your efforts - Fisher/Nightingale Houses will be hosting you and your teammates at the race expo and private team finish line tent!
