## Touching Lives with Compassion

For 27 years, the Wright-Patt Fisher Houses have provided an invaluable service to more than 20,000 wounded, injured and ill military men and women and their families, providing an opportunity for families to stay together and support each other when a loved one is undergoing medical treatment at the Wright-Patterson Medical Center, and will do the same at the future Dayton VA Medical Center Fisher House.

### Mobile Bidding in 2018

To place bids on auction items or to make a donation, register with a Gesture Pro member at the event. Gesture staff members will be present to be your “personal shopper” if you have questions or you do not prefer to bid via your cell phone/ tablet.

You will click the link in your welcome text message and it will take you to your personal bidding page. Click on an item you would like to bid on. The Gesture smart system prepopulates with the next minimum bid so all you have to do is push BID. If you’d like to go higher just enter a new amount and push BID. To have the Gesture smart system automatically bid for you to a designed amount, please select AUTO and enter a higher amount. The system will bid for you incrementally up until your designated amount only if someone bids against you.

If you need help at the event just find a Gesture Pro member in GRAY!

Doors open at 5:45 p.m.  
and a laughing good time begins at 6 p.m.
