Dear Friends,

Greetings! I am the race coordinator for the Red, White & Run 5k being held at Wright State University on the morning of April 6th, 2019.

Our donation goal for this event is \$5,000. Since this is the third time hosting this race, we expect to have between 200-300 runners. Relying upon runners alone, we will not reach our fundraising goal. Therefore, we are reaching out for external sponsors to help us reach our goal.

That being said, we invite you to join us in our support of the wounded, injured and ill military men and women and their families who utilize the Wright-Patterson Air Force Base and new Dayton Department of Veterans Affairs Fisher Houses (compassionate care homes).

Our Sponsorship levels are as follows:

Platinum	\$3,000 and over	3 race bibs and 2.5'' logo on shirt
Gold	\$2,000	2 race bibs and 2'' logo on shirt
Silver	\$1,000	1 race bib and 1.5'' logo on shirt
Bronze	\$500	1'' logo on back of shirt
Copper	\$250	Company name listed on shirt
Brass	Other	Negotiable

Money being raised will be donated to the Fisher/Nightingale Houses, Inc. to support the guests in the Wright-Patterson AFB and Dayton VA Medical Center Fisher Houses. Since its inception in May 1990, the two Wright-Patterson AFB homes, along with their managers and outstanding volunteer staff, have served nearly twenty-five thousand families from all branches of the military, from stateside and overseas, active duty, Guard, Reserves, retirees and veterans (over 1,000 families in 2018 alone). These houses allow military and veteran families to stay together during times of medical emergencies or crises when they need the love, comfort and support of their families the most (like a Ronald McDonald House at a children's medical center).

Additionally, we encourage everyone to visit our webpage for registration and our Facebook page for additional information about the event:

Sincerely,
