### Touching Lives with Compassion

For 29 years the Wright-Patt Fisher Houses have provided an invaluable service to nearly 25,000 wounded, injured and ill military men and women and their families, providing an opportunity for them to stay together and support each other when a loved one is undergoing medical treatment at the Wright-Patterson Medical Center. Our newly opened VA Fisher House provides that same support to those being treated at the Dayton VA Medical Center.

### Paper Bidding Returns!

We're going back to paper bidding this year offering more "human" interaction and socialization... and more fun! To place bids on auction items or to make a donation, register when you arrive or during the evening and avoid the checkout lines at the end of the event. Staff members will be present if you have questions.
